# What is COPPA?

- Children's Online Privacy Protection Rule

- “The settlement requires Google and YouTube to pay \$136 million to the FTC and \$34 million to New York for allegedly violating the Children's Online Privacy Protection Act (COPPA) Rule. The \$136 million penalty is by far the largest amount the FTC has ever obtained in a COPPA case since Congress enacted the law in 1998.” - <https://www.ftc.gov/news-events/press-releases/2019/09/google-youtube-will-pay-record-170-million-alleged-violations>

- YouTube's response to fix this situation after the lawsuit... Weird.

- YouTube Content Creators were majorly affected.
